Vision 2022 Plan:

Our Priorities

Safety

- Managing our construction projects safely. Safe areas construction and prevention of unsafe acts and correcting unsafe conditions. Accident Prevention.

Relationship Building

- Connecting with others within our industry i.e., Owners, Architects, Engineers, Construction Professionals, Trade Professionals, Consultants, Vendors, Manufactures, Inspectors, etc.

Increase Presence

- Work performance. Branding our company. Marketing and Networking.

Partnership

- We are attentive to sole source opportunities, competitively bidding, joint venture and subcontracting opportunities.

Strengthening Capabilities

- Building our company's resume of work. Expanding upon performance of services for clients within commercial and industrial sectors.

Team Building

- Adding additional team members to our team internally and externally.

Contributing/Serving Others

- Helping others within and outside of our local community.
